

Conference Chair

Prof. Dr. Thomas J. Schmidt
Molecules Editor-in-Chief
University of Münster, Germany

Conference Sessions

- S1. Organic Synthesis and Medicinal Chemistry
- S2. Natural Products Chemistry and Food Chemistry
- S3. Bioorganic Chemistry and Chemical Biology
- S4. Inorganic, Coordination, Photo- and Electrochemistry
- S5. Materials, Macromolecular and Nanochemistry
- S6. Analytical Chemistry and Molecular Sensing

- S7. Physical, Computational and Theoretical Chemistry
- S8. Applied and Green Chemistry, Sustainable Technologies

Deadlines

Abstract Submission:
28 May 2027

Notification of Acceptance:
29 June 2027

Registration:
21 September 2027

If you are interested in participating in this event, proposing a special session, or any sponsor collaborations, please contact our conference team here:
