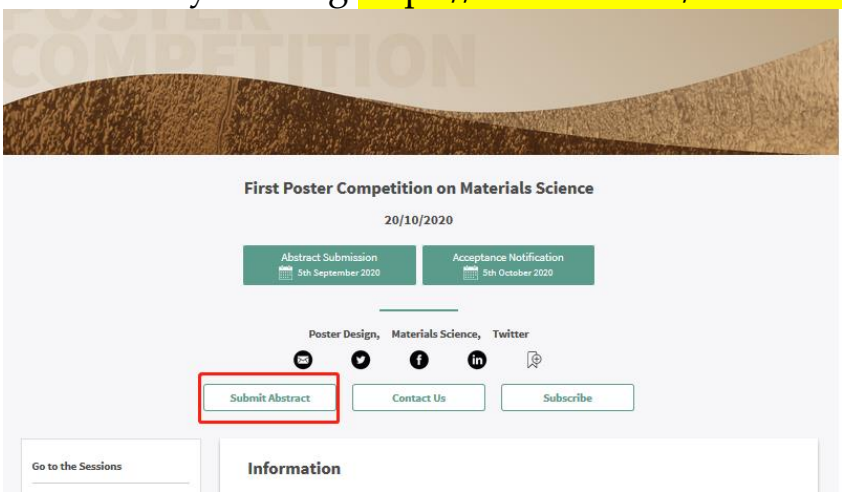
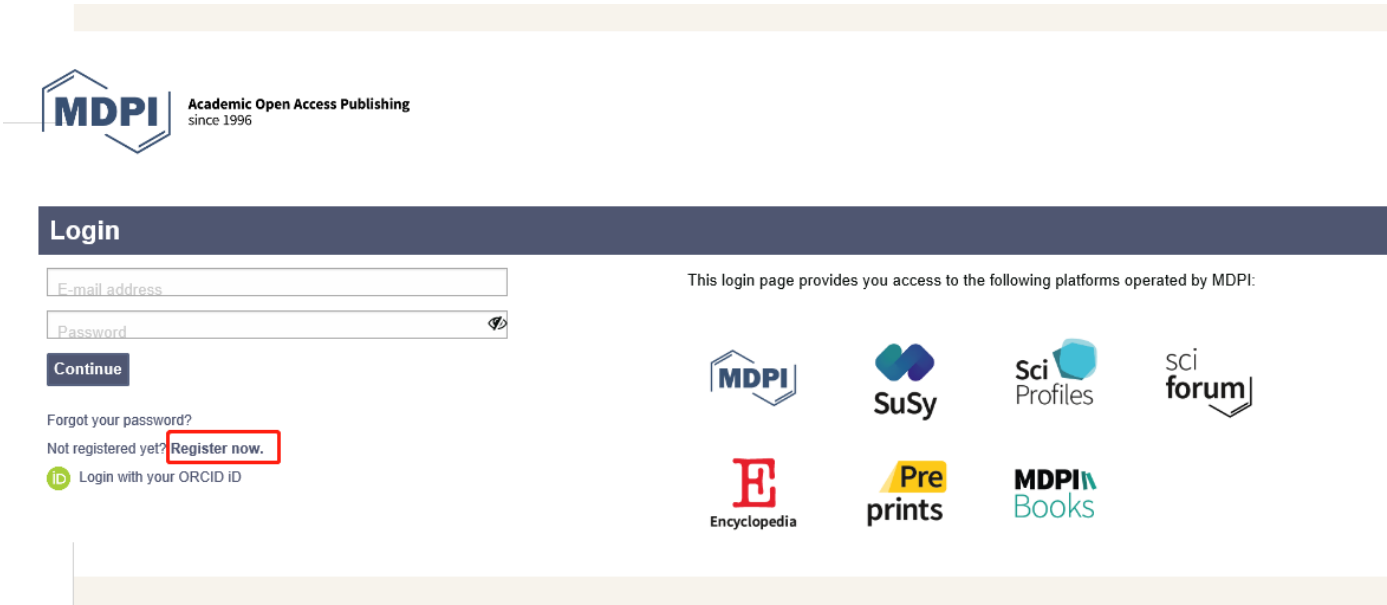
# Instruction for Submission

**Go to the website** by clicking https://sciforum.net/conference/PCMS

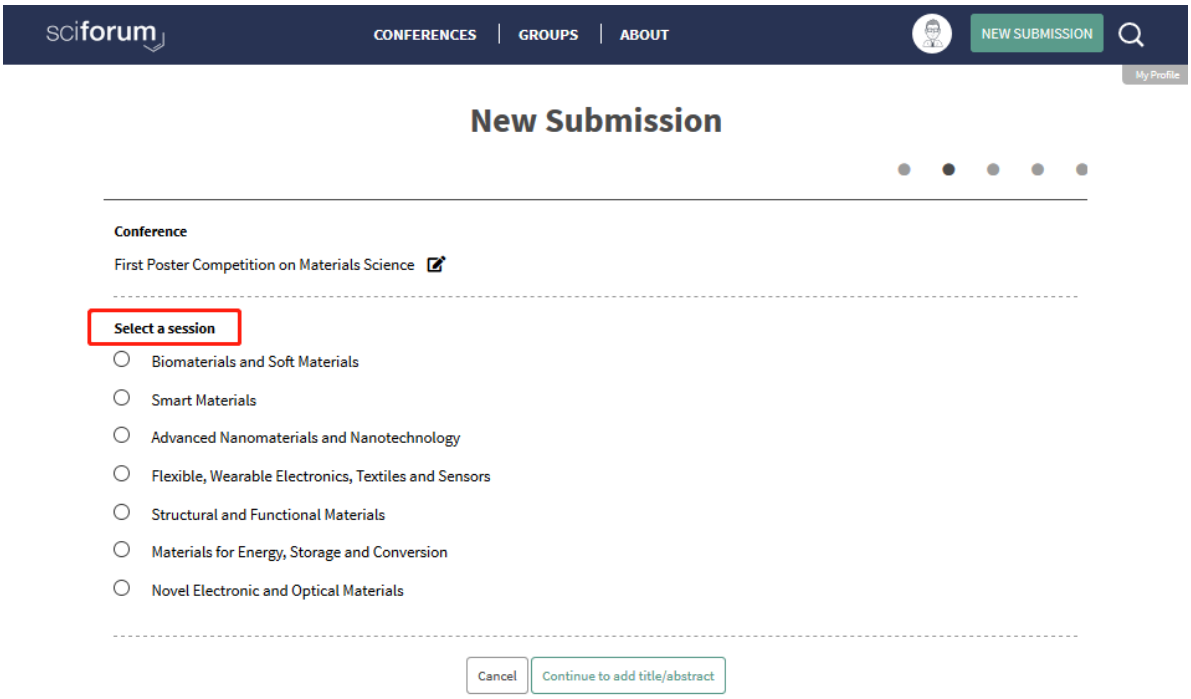


Press the button "**Submit Abstract**" in the red box. If you have not logged in, the system will direct to page 1; if you have successfully logged in, you will see page 2.

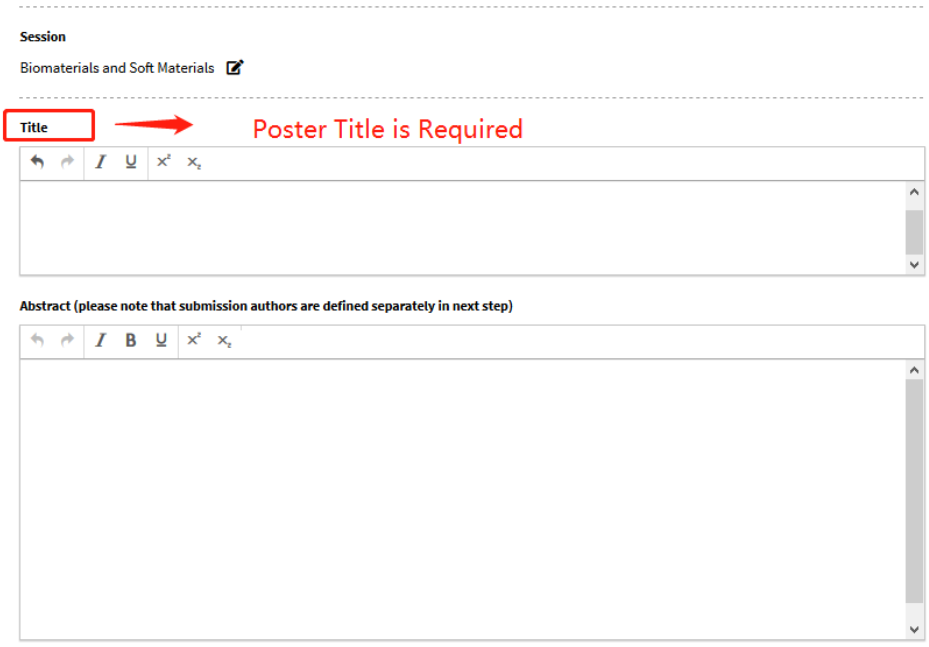
**Page 1:** Input your email account and password (if you have registered an account with MDPI before for paper submission, you do not need to register a new account; if you have not resgistered, please click "Register now" in the red box).

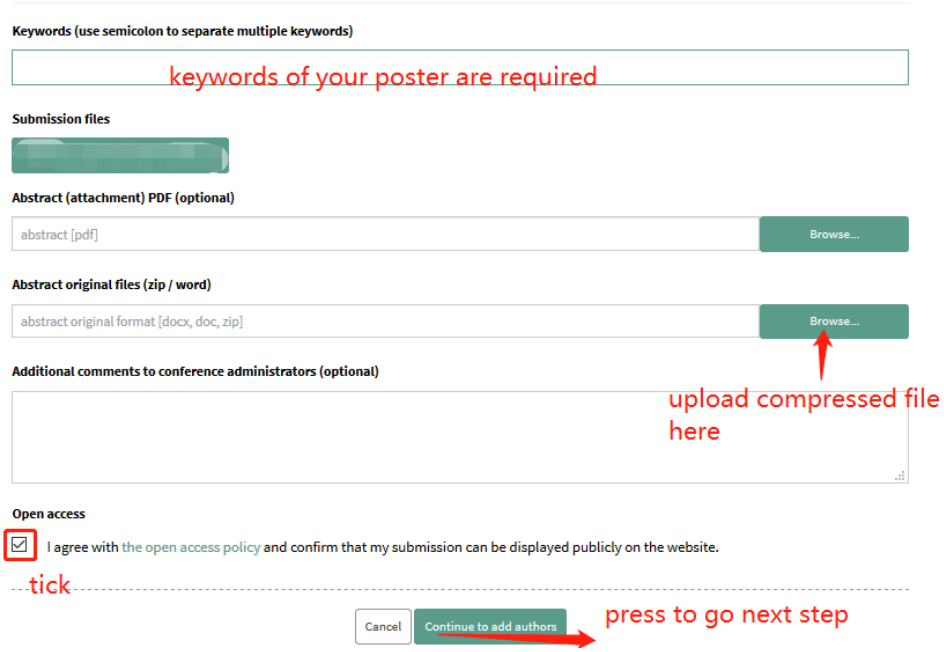


**Page 2:** Choose a topic that matches the theme of your poster and press "**continue to add title/abstract**".

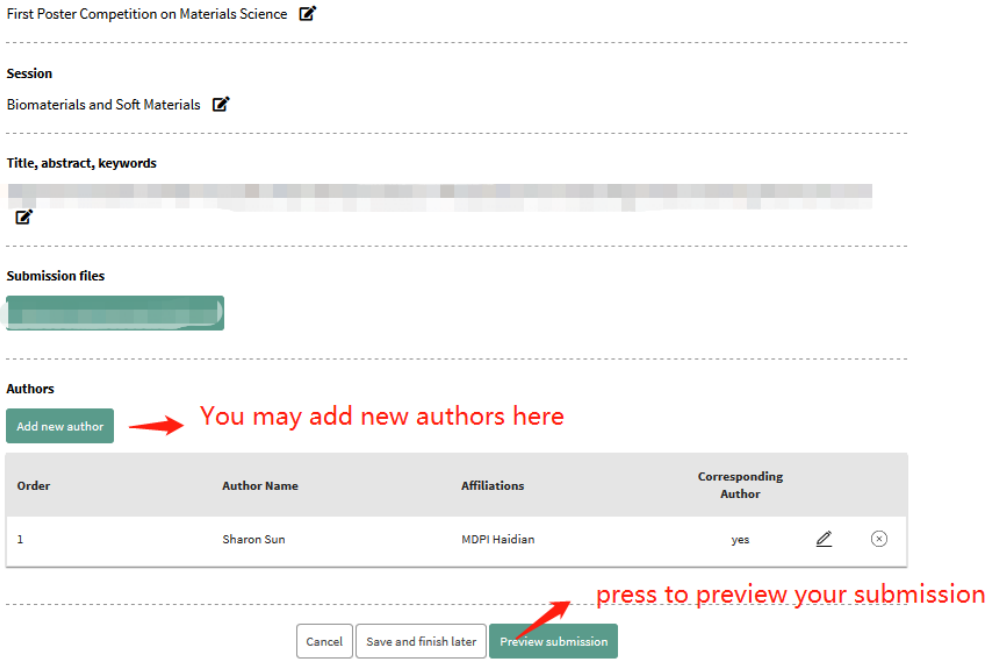


Follow the image below to fill in the information and submit the **compressed file** (the compressed file should include: 1, a caption with a poster title and brief introduction; 2, an updated CV and a scanned copy of the applicant's doctorate/student certificate.; 3, a link corresponding to a relevant tweet about the poster on Twitter; and 4, posters in gif/jpg/png/jpeg/bmp format and no larger than 4 MB.)





You may add new authors and preview your submission in the next step (see image below).



If everything is correct, please send to editors. Your submission is completed.

sciforum

Dear

Thank you for sending us your abstract. It will be evaluated by the Scientific Committee and you will be notified about acceptance by 5th October 2020. If revisions are necessary, you will be contacted prior to that date.

Please note that:
- Sciforum offers the possibility to archive the final PDF file of your poster.

**Submission ID:**
**Title:**
**Author:**
**Conference:**
