# 1<sup>st</sup> Molecules Medicinal Chemistry Symposium

8 September 2017, University of Barcelona, Spain

## Emerging Drug Discovery Approaches against Infectious Diseases

The 1st MMCS seeks to gather together experts in the field of medicinal chemistry of anti-infective agents.

The event aims to provide a forum for discussion regarding novel drug structural classes, therapeutic approaches, biological targets, and resistance mechanisms, which can pave the way for the development of optimized therapies against bacterial, protozoan, viral, and fungal infections.

### DEADLINES

Early Bird Deadline:

**2 June 2017**

Late Registration  
Deadline:

**18 August 2017**

Abstract Submission  
Deadline:

**2 June 2017**

### CHAIRMAN

**Prof. Diego Muñoz-Torrero**

Editor-in-Chief of the Medicinal Chemistry Section in *Molecules*,  
Faculty of Pharmacy and Food Sciences, University of Barcelona, Spain
