Universidade de São Paulo

Bergische Universität Wuppertal

Centro Universitário Adventista de São Paulo

Heidegger's Technology

Calculative thinking

Enframing

History of being

Completion of metaphysics

Heidegger and the Nazi

Interpretation of the Nazi political right
Anti-Semitism in the “Black Notebooks”
New beginning in the history of being
Home x homeless (global Jewry)

Technology and Anti-Semitism

**Metaphysics → Ability of calculating (technology)
→ Increase of power of the Jewry**

**Machination → Race → Jewry lives as race →
worldly “worldless” lifestyle**

Possibilities

Baudrillard, Virilio, Kroker, Marcuse etc.

**Internet: representing, measuring and
controlling**

“Gelassenheit” : not a return to the past
