Universidad del País Vasco (UPV/EHU), 48940, Leioa, España.*

Graphical Abstract

The image shows a YouTube video player interface. At the top left is the YouTube logo with 'ES' next to it. To the right is a search bar with the text 'Buscar'. The video content area displays a promotional slide for a course. The slide features the 'PANELFIT' logo in blue and white. Below the logo is a photograph of Prof. Carlos Romeo, a man with glasses wearing a brown jacket, holding a smartphone. To the right of the photo is a dark blue box with white text that reads: 'Course on line on Ethical and legal issues regarding ICT data protection' and 'With special reference to the General Data Protection Regulation 2016'. Logos for 'UPV EHU' and 'eCampus' are also visible on the slide. Below the video player, there is a caption: 'PANELFIT: Ethical and legal issues regarding ICT data protection. Lesson 1: the importance of(...)'.

You are welcome to follow the lesson The Importance of Data in Today's World by Prof. Dr. Carlos María Romeo Casabona in the course Data Ethical and Legal Issues Regarding ICT Data Protection. This course is offered within the framework of the PANELFIT Project by the University of the Basque Country UPV/EHU, with the help of the Partners and especially of the European Citizen Science Association (ECSA). The specific objective of this course is to train citizens on basic ethical and legal issues related to the protection of personal data, in accordance with the new European Data Protection Regulation and complementary regulations.
